

MINING MACHINES

2021, Vol. 39 Issue 2

CONTENTS:

Pages 2-12

Authors: Zbigniew SZKUDLAREK,
Tatiana N. IVANOVA

**Mechanization of cleaning the area of
operating belt conveyor system**

Pages 13-23

Authors: Jerzy JAGODA, Mariusz
HETMAŃCZYK, Krzysztof STANKIEWICZ

**Dispersed, self-organizing sensory
networks supporting the technological
processes**

Pages 24-33

Author: Jacek KORSKI

**Longwall shearer haulage systems - a
historical review. Part 2 – First cordless
haulage systems solutions**

Pages 34-43

Author: Paweł FRIEBE

**Determining the possibility of using the
Polish aggregates for recovery of rare
earth elements**

Pages 44-52

Authors: Małgorzata MALEC,
Romana ZAJĄC

**Harmonization of technical
requirements in the scope of machines
for underground mines**

Pages 53-62

Authors: Lilianna STAŃCZAK,
Wojciech KANIAK

**Occupational health and safety
management in hard coal mines in the
aspect of dust hazard**

Pages 63-72

Authors: Dominik RUPIK,
Liubomyr ROMANYSHYN

**Concept of a Drill Press Rotary Tool
Workstation Stand with a strength
analysis**

e-ISSN 2719-3306

Quarterly of Science and Technology

June 2021

Editorial Staff

Editor – in – Chief

Dariusz Prostański, KOMAG Institute of Mining Technology, POLAND

Secretary

Romana Zajęc, KOMAG Institute of Mining Technology, POLAND

Technical Editor

Marzena Pabian-Macina, KOMAG of Mining Technology, POLAND

Thematic Editors

Scientific discipline

Environment engineering, mining and power engineering

Greg Galecki, Missouri University of Science and Technology, UNITED STATES

Carsten Drebenstedt, Technische Universität Bergakademie Freiberg, GERMANY

Automation, electronics and electrotechnics

Joel M. Haight, University of Pittsburgh, Pittsburgh, UNITED STATES

Krzysztof Fujarewicz, Silesian University of Technology, POLAND

Mechanical engineering

Brian D. Ricketts, European Association for Coal and Lignite (EURACOAL), BELGIUM

Jarosław Brodny, Silesian University of Technology, POLAND

Pavol Bozek, Slovak University of Technology in Bratislava, SLOVAK REPUBLIC

English Language Editor

Dominik Brandys, University of Washington in Seattle, UNITED STATES

Statistical editor

Jarosław Tokarczyk, KOMAG Institute of Mining Technology, POLAND

Publishers and contact

KOMAG Institute of Mining Technology

Pszczyńska 37, 44-101 Gliwice, POLAND
